

The adult education service is here to provide you with support to re-enter education at any age or stage of your life. We provide many different options of returning to education in Dublin 2, 4, 6 and 8 areas. So contact us whether you require help to read, write or spell, want/need to learn a new skill or to improve a current skill phone @ **01/6684871**

I would love to improve my English so I can help my children with their homework or even get a part-time job.

Being made redundant is so difficult; I need to change my career so I can secure employment again.

My grandson showed me pictures of the christening on his tablet he makes it look so easy to use. I wonder could I learn how to use one?

Wow I got the new job I really wanted but now I need to learn maths from the beginning.

Take that first step today and phone **01/6684871** our service for advice on the next step to take. Ringsend College, Cambridge Road, Ringsend, Dublin 4.
