## Welcome from the Principal

It is my great pleasure to welcome you to Ringsend College. Our college enrolment is growing from year to year which is down to the excellent schooling experience we provide for the people of this community and further afield. In addition to offering post primary education our college of further education and thriving night school continue to grow on an annual basis. Excellent teachers who are committed to delivering to the highest possible standard combined with the availability of a wide array of curricular and extra-curricular activities has made Ringsend College the school of choice in this area. In September 2020 we will introduce new courses to our night school and college of further education.

As our post primary school prepares to welcome the biggest intake of first year students in the schools history I am introducing five new subjects on to the curriculum to meet this demand and to offer greater academic opportunities to our students. I am very proud to be the leader of this expanding and developing school and I look forward to welcoming you to our wonderful school so that you can meet our fantastic students and staff and see all that is on offer.

Mr Paul Ryder (Principal).

### ALL COURSES FOR 10 WEEKS UNLESS OTHERWISE STATED.

| Code | MONDAY  | Time      | Fee € |
