The Award is offered in a 2 year cycle with an option to begin in either year. Learners have the opportunity to complete a component award in one year or progress to a full award over 2 years. Successful learners can continue their studies by progressing onto a level 6 award in Horticulture or begin work in the horticulture industry.

## Start date: November 2016

## PART-TIME BTEI COURSE

### What is BTEI?

The Back To Education Initiative provides part-time Further Education programmes for young people and adults. The aim is to give people an opportunity to combine a return to learning with family, work and other responsibilities.

### Who can take part?

Anyone who has left full-time education or is out of work can take part in a course being offered, but priority will be given to those with less than the Leaving Certificate.

### What will a BTEI course cost?

Individuals will have different entitlements. Those in receipt of unemployment payments or means-tested social welfare benefits and holders of medical cards are entitled to free tuition. These programmes give learners the opportunity to gain confidence to progress onto many of our Level 5 courses.
